MARVELOUS NEW IRIS

EVENING GLOW

Standards and falls pale silvery blue. Hafts reticulated with brown and very heavy. Orange beards. The lower part of hafts are iridescent in lavender, pink and orange, giving it a wonderful opalescent coloring inside. The foliage is remarkable, being gray-green, the effect being that of a sheen. Stands 24" to 28" and full 1 $\frac{1}{4}$ " to 1 $\frac{1}{2}$ " blades, beautiful with no flowers. The flowers are large, but not extraordinary, larger often than Brandywine which at first glance it somewhat resembles. In all a robust vigorous fine Iris, 32" to 36", three to six flowers open at once.

For distribution in 1927 at \$10.00. A limited number of orders booked now for 1927 delivery. Cash must accompany order.
